During the 12-calendar month period that ends on, and includes, the date of this prospectus supplement, we have offered \$5,880,705 of securities pursuant to General Instruction I.B.6. of Form S-3. Pursuant to General Instruction I.B.6 of Form S-3, in no event will we sell our common stock in a public primary offering with a value exceeding more than one-third of the aggregate market value of our voting and non-voting common equity held by non-affiliates in any 12-month period as long as the aggregate market value of our outstanding voting and non-voting common equity held by non-affiliates is less than \$75,000,000. In the event that we may sell additional amounts under the Offering Agreement, we will file another prospectus supplement prior to making such additional sales.
